Duck Dinner 2025- Join Us and Jeff Tedford on Friday, November 21st

Get ready to meet a true legend of college football—Jeff Tedford! As the head coach at California, he amassed an impressive 82 wins, guiding the Golden Bears to multiple bowl games, including a historic 2006 season.

Jeff helped launch NFL stars like Aaron Rodgers and Marshawn Lynch, earning multiple Coach of the Year honors along the way.

Now, don't miss this rare opportunity to hear from the man who transformed Cal football. Join us to celebrate Jeff's inspiring journey and reconnect with your fellow Cal Beta SAE alumni- this year's Duck Dinner is an event you won't want to miss! Sign up below.

Look forward to seeing you then! Go Bears and Phi Alpha!

FROM THE PRESIDENT
Michael Bohm

Hello all,

My name is Michael Bohm and this is my second and final term as Eminent Archon of Cal Beta. I am a junior from Orinda, CA studying Business and Data Science. I want to start by extending a large thank you to the active members of Cal Beta, our supportive alumni and parents, and finally to Jeff Koblick, the entire Housing Corp, and Gary Sherrer, our dedicated chapter advisor.

Since my last newsletter, the chapter has continued to thrive. We inducted 22 new members into the chapter, and all of these outstanding young gentlemen exemplify the qualities of a True Gentlemen to the fullest. I would like to thank our Rush Chairs Gil Ladetzky and Ian Rothbart for the effort and time they put into recruiting such a great class. We are beyond excited to have them in the chapter and can't wait to see their accomplishments within the house, at school, and in their extracurricular activities.

We have already had quite a busy semester at 2722 Bancroft Way. We hosted our annual Parent's Weekend, where the families of active brothers came together for a formal dinner and a tailgate the next day before the Golden Bears took on the Duke Blue Devils in the Homecoming Game. While we unfortunately lost, it was a phenomenal time nonetheless! We would like to thank all of the parents for all you do to support the members of this house.

Looking ahead, we will soon be holding our annual Duck Dinner the night before the Big Game. We are super excited to meet all our fabulous alumni. We are honored to have Cal Legend, Jeff Tedford, as our guest speaker this year. It is always a pleasure to uphold Cal Beta's longest-standing tradition, especially when we beat Stanford the next day! Thank you in advance to all who will attend, and we look forward to seeing you.

Finally, prior to the basketball season, we will host Coach Mark Madsen, and both the Men's and Women's basketball teams at 2722 Bancroft, where they will speak about their goals, expectations, and plans for the upcoming season. It was a privilege to host them at the house the past two years, and we are excited to see what they can accomplish this year.

Thank you all for taking the time to read this letter and for your continued support of the chapter.There is still plenty of time left in my term, and I am determined to continue to uplift this organization and cement our place as the best fraternity on campus. Go Bears!

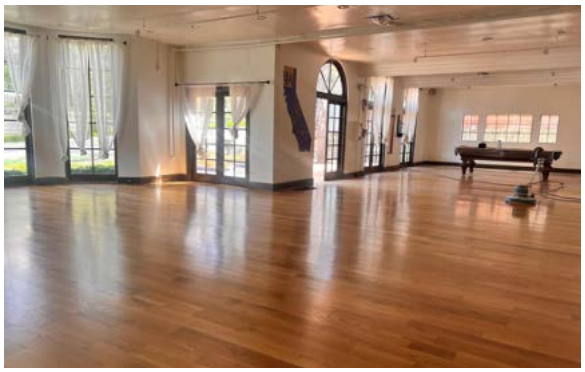
House IMPROVEMENTS



2722 Bancroft Way - Capital Improvements in 2025

This summer, in addition to normal upkeep, repairs and maintenance projects, we are undergoing several large capital improvement projects to enhance 2722 Bancroft Way. First, we repaved the back parking lot with help from Randy Scott.

The next capital improvement project is to refinish the living and dining room floors, as well as the stairway steps. Finally, we will be painting the exterior of the building.

Thanks to all of you who have made contributions to allow us to maintain 2722 Bancroft Way as the best fraternity building at UC Berkeley!

Go Bears and Phi Alpha!

Parent's Weekend

Parents weekend and homecoming were on October 3-4. We had a wonderful parents dinner on Friday night with over 130 attending catered by Grizzly Chefs.

Saturday we had a pregame barbecue and party in the quad with parents and students before heading up to the Cal- Duke game, it was a wonderful first quarter but after that . . . Go Bears!

Alumni Smoker Held Before San Jose Game

Alumni, Dads, and other fraternity presidents were guests at the annual smoker held this fall on Friday night, September 25th, before the San Jose State game. Paul Arteaga, house advisor for Cal Beta, acted as emcee for the program that included boxing movies of some of the great fights in history, and a ring free for-all pillow fight among some of the brothers. Brother Ernie Knowland of Oakland again provided us with four local boxers on a two match card.

As a climax to the evening, Coach Happy Walden appeared at 9:15 and gave us an inspiring talk on sportsmanship principles and the Bear outlook for the '54 season.

A special event of the evening was the presentation of a plaque to be dedicated to the late Emmett Gebauer, on dear old Cal Beta advisor, in whose honor the new chapter room has been named.

Old Friends Meet At Buck Dinner

A hearty welcome from all present activas greeted some thirty-five alums at the Annual Buck Dinner held Friday, November 19th at the house. Arriving between 5 and 6:30, the grads were given tours of the new wing and Cal Beta's restful, new living and recreational facilities.

At 6:30 all went into dinner together and met with their pic friends among the present house members. Plenty of duck, liquid refreshments, songs, and "so-whing it up" made the dinner a great success. Card games and many songs rounded out the evening as the alums relived old times and renewed old friendships. Many thanks go to Chuck Jenuine, who handled the details.

HOMECOMING

Cal Beta did its part to add to the color and enthusiasm of homecoming week in Berkeley. Lea Rideaux, of Delta Delta Delta Sorority, was our candidate for homecoming queen and was chosen as first alternate. This is the second year in a row our candidate had had this honor.

As in the past we built our float with our backyard neighbors, Kappa Alpha Theta Sorority.

The theme of the parade was "The California Way." The float depicting Liberace playing a large piano while a huge blue and gold bear held an axe and told Liberace, "Let's play Cal's way."

Even though we didn't win first prize all the brothers felt it was well worth the effort and are looking forward to next year.

Roger Thurst was our hard working homecoming chairman and did a fine job. Brother Jerry Dustimer and Theta Lynn Fontana were a couple of the hardest workers.

Dedication of Chapter Room to Emmett Gebauer

This past May 15, Emmett Gebauer, our house advisor, passed away. Cal Beta lost a great friend, a man whose guidance and devotion to his fraternity are rarely matched.

Something that Emmett spent many years working toward is the new wing to our house. It was long a dream of his and he labored nearly to become a reality by four months.

On September 24th, at the Andy Smith Smoker, a plaque was presented that will be placed in the new chapter room, dedicating the room to the memory of our great friend and leader, Emmett Gebauer.

DADS' DAY

The revival of a favorite old tradition occurred the weekend of November 13th, when the Dads were honored by a weekend of events. A special welcome dinner, held Friday evening, greeted fifteen of the brothers' Dads, and that night most of the Dads got a "guided tour" to the El Rey and the Kingfish—a throwback to the good old days when they were all in school.

Several of the Dads stayed at the house Friday night, and on Saturday morning, a big breakfast was held with great attendance. After breakfast, everyone went down to the Cal pool to watch the championship water polo match between the Bears and Stanford. Those of the campus and a look at the Rambler football game wound up the morning.

After the alumni lunch the Dads went to their 50 yard line seats for the Oregon State game where they sat together. Everyone had a good time and we're looking forward to continuing

Kurt Wharton '77

Dr. Kurt Wharton is a nationally recognized OB/GYN physician, educator, and healthcare leader whose career has spanned decades of clinical excellence, academic mentorship, and healthcare innovation. A 1980 graduate of the University of California, Berkeley, where he earned his A.B. in Physiology, Dr. Wharton went on to receive his medical degree from Boston University School of Medicine in 1984. He completed his residency training at the University of California, San Francisco (UCSF), later becoming a Clinical Professor in the Department of Obstetrics, Gynecology, and Reproductive Sciences at UCSF.

Throughout his career, he has earned numerous teaching accolades, including multiple Outstanding Resident Teaching Awards and faculty honors for his exceptional mentorship and commitment to medical education. Currently based in Michigan, Dr. Wharton serves as Professor and OB/GYN Service Line Chief at Corewell Health East and Oakland University William Beaumont School of Medicine. He also holds the position of Vice-Chair for Obstetrics at William Beaumont University Hospital, a Level IV Regional Perinatal Center. His leadership has been pivotal in advancing maternal health, surgical innovation, and postpartum mental health programs, including launching inpatient postpartum depression treatment centers and programs focused on maternal sepsis and contraceptive access. He has chaired or served on several key committees at the national level, including within the American College of Obstetricians and Gynecologists (ACOG), and is the current Chairman of the Biogel Surgical Gloves Surgeons Advisory Board

In addition to his clinical and academic pursuits, Dr. Wharton has contributed extensively to research, authoring and co-authoring dozens of peer-reviewed publications, guidelines, and committee opinions on topics ranging from maternal sepsis to nutrition in pregnancy. His influence extends into advocacy and public education, with frequent invited lectures, webinars, and media appearances addressing the evolving landscape of women's health. A Castle Connolly "Top Doctor" for over 20 years, he is consistently recognized for his compassionate care, patient advocacy, and medical leadership.

A proud member of Sigma Alpha Epsilon since his undergraduate years at Cal, Dr. Wharton credits Cal Beta for providing community, mentorship, and lifelong friendships. He remains engaged with the fraternity as an alumnus and has served as a mentor to aspiring physicians, including his son, Spencer Wharton, a fellow SAE and member of the California Omicron chapter. Whether in the operating room, classroom, or community, Dr. Wharton exemplifies the highest ideals of service, leadership, and brotherhood.

human rights, disaster relief, support for veterans and service members, cancer and disease research, the arts, animal welfare, and more. Auction Fundraising also partners with collegiate sports programs and foundations associated with the NBA, MLB, NFL, NHL, PGA, and LPGA.

Reflecting on his journey, Steve shares:

"Deciding to become a professional auctioneer impacted my life in ways I could never have imagined. I traded a life of ease and comfort for one of service and adventure, building a team and business dedicated to helping non-profits achieve their fundraising goals. I am proud of the impact we've made and excited for the difference we continue to create."

Through his vision, leadership, and unwavering dedication, Steve Haworth has set a standard of excellence in the non-profit fundraising sector, making him a distinguished member of the Cal Beta Hall of Fame.

Tom Schneider '04

Tom Schneider, a 2004 initiate of Cal Beta and 2007 graduate of UC Berkeley, is a proud alumnus who has made an impact across technology, real estate, athletics, and community service. Currently serving as the Vice President of Technology & Product at Pathway Homes, Tom has built a dynamic career leading technology and systems initiatives across industries such as real estate, healthcare, and manufacturing. His professional journey includes influential roles at companies like Pacaso, Roofstock, and Waypoint Homes, and he co-founded Pathway Home Solutions to help older adults age in place through innovative home services.

A former NCAA Division I and II placekicker, Tom was a standout four-year letterman for the Cal Football team—holding school records and earning All-American honors at the University of North Alabama following an additional year of eligibility. He earned a Master's in Information Systems from the University of San Francisco and has obtained multiple certifications, including a California Real Estate Broker License and various Salesforce credentials. Tom remains deeply involved in his local and alumni communities. He served six years on the Orinda Parks and Recreation Commission, volunteers with the neighborhood pool association, and has mentored high school students through the BUILD program.

Tom is also a dedicated member of the Cal Grid Club and the "Teddies Bears" alumni group for the Cal Football Program. He contributes to professional development efforts for student-athletes and regularly mentors kickers on technique and career development. During his undergraduate years, Tom held a leadership position as Deputy Eminent Archon in his fraternity and played a key role in recruiting athletes and strengthening the chapter. Today, he continues to support fraternity alumni through mentorship and career guidance.

When asked about Cal Beta, he says, "Cal Beta and Sigma Alpha Epsilon represent the true meaning of community to me. It's about being part of something larger than yourself — a brotherhood built on support, engagement, and a commitment to lift each other up. During my time at Cal and beyond, SAE wasn't just an organization; it was a foundation of friendships, accountability, and shared ambition that has stayed with me throughout my life. The values we lived by — loyalty, respect, service — continue to shape how I show up in my family, my career, and my community. Cal Beta gave me a lifelong network of people who push each other to be better, and a reminder that real success is measured by how you show up for others."

Tom lives in Orinda, California, with his wife, Molly, and their three sons: Charlie (5), Landon (3), and Benjamin (1).

ALUMNUS PROFILE

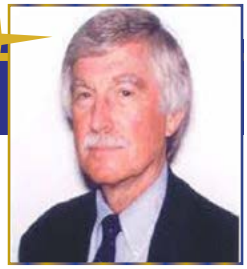
Art Wardwell '81

Art Wardwell led the way for a series of Wardwell's to become Cal Beta SAE's. Art was initiated into Cal Beta SAE and graduated in 1985. He and his wife Lorna have three sons- son's Tristan and Sam followed his lead, also joining Cal Beta SAE. Tristan graduated in 2023, and son Sam is due to graduate in 2027. We will forgive Art's son Spencer for attending USC though.

Art and his sons have been great boosters of Cal Beta, organizing and hosting Parent's weekends and Alumni functions. Art also helped us refinance the mortgage at 2722 Bancroft Way with outstanding terms.

Using his Applied Math and Economics double major, Art has had an outstanding career in banking and finance, as Vice president at First Republic Bank and presently at Flagstaff Private Bank. Art's favorite Cal Beta Memory is "Tailgating at the Cal Beta House with my sons on USC/Cal game day." His advice for Undergraduates is "Build your social network and be a voracious and consistent learner." Art is thankful for the "Fantastic memories and lifelong friends at Cal Beta that share a common bond unbreakable by distance or time."

CHAPTER ETERNAL



"We are sorry to report that Jim Kidder has gone to the chapter eternal. Jim organized the Jack Leathers Holiday lunch for the 1950's Alumni for many years. We will continue to have the holiday lunch in his memory on Friday, December 5th at 2722 Bancroft Way and all Cal Beta Alumni are invited.

After graduating from Hayward High School, Jim attended Stanford which he found stifling and so transferred to Cal and joined the Cal Beta SAE House. Jim assumed many leadership roles at Cal including EDA of Cal Beta and president of the ASUC. Graduating with Honors, Jim worked as an advisor to UC Berkeley president Clark Kerr during the turbulent 1960's free speech movement.

Jim went on to serve as a senior administrator at several universities, ending his career at the University of Nevada where he worked for 18 years. Jim is survived by his wife Mary Ann. "

Don't Miss the Jack Leathers Luncheon!

The use of the term "The Fabulous Fifty's" so often applied to that decade also is very appropriate for Cal Beta in the 1950s. It was a time when the house flourished on and off campus. The house had many members who were active in Cal athletics with a number of starters in football, basketball. baseball and on many other teams. Members also held leadership roles in the ASUC and in ROTC and other campus organizations. SAE also won the annual "Spring Sing." We built floats for the Big Game Parade in partnership with the Thetas. We also were active in intra mural sports. Cal Beta was an active and involved chapter in many ways. Internally we had a busy social life with the annual "South Seas" a highlight of the spring semester. Many dances and parties along with exchanges and pinning and engagement serenades kept us busy throughout the year.

In part to recognize the brothers from the 1950's John/Jack Leathers, a transfer to Cal Beta and later the EA, initiated the tradition of pre-holidays luncheons for members from that decade. The site often varied from the East Bay to the West Bay. After a number of years John or Jack passed on the leadership role in the holiday luncheon tradition to Jim Kidder with assistance from Bob Leslie. From then on, the get togethers were called "The Jack Leathers' Pre-Holiday Luncheon" in recognition of the key role he played in instituting and maintaining the annual affairs. We of course mourn Jim's recent passing just as we did John's passing some years ago. As the cohort from the 50s has gotten older we have come to welcome brothers and spouses/ family members from other decades. We hope that many brothers from all eras will join us on December 5 for the latest luncheon!

We hope you will all join Students and Alumni for our annual Jack Leathers Holiday luncheon on
